# ECHAlliance is appointed Strategic Partner to the Estonian eHealth Presidency

Health in the Digital Society  
Digital Society for Health  
16-18 October 2017, Tallinn

 #eHealthTallinn

The Estonian Ministry of Social Affairs has appointed the European Connected Health Alliance to assist them in preparations for the e-health conference "Health in the Digital Society. Digital Society for Health" ([www.ehealthtallinn2017.ee](http://www.ehealthtallinn2017.ee)) taking place during the Estonian Presidency of the Council of the European Union.

The conference will show already existing digital health solutions, use-cases and technologies to demonstrate that value-adding citizen-centric health services and systems are the reality and the future has already arrived to be made available to all Europeans.

# Consultation on investment in innovative digital solutions for Active & Healthy Ageing – have your say!

The European Innovation Partnership on Active and Healthy Ageing, supported by ECHAlliance, has just launched a short online consultation with **any organisations that are actively deploying and implementing large-scale, sustainable, digitally-enabled innovative solutions for Active and Healthy Ageing.**

The consultation was launched to **identify plans for investment (both committed and potential) in the implementation of innovative solutions for Active and Healthy Ageing 2017 – 2020.**

The consultation will inform the **creation of an Investment Map** illustrating the EU investment potential in this area, contributing to the EIP on AHA Policy Dashboard .

**Closing date for submission of responses to the Online Consultation is 10 April 2017.**
